ORIGIN As Stated

MANCHURIA

25X1X6

Mukden - 17 January

1. On 15 January, the Nationalist Temporary 20 Division took Ho-shang-fang-tzu (119-47, 40-31).
2. On 16 January, the Nationalist 88 Division moved to Ta-hsing-tsui-chen (125-49, 44-26).
The 30 Division is 10 miles northeast of Ku-shih-ho (126-04, 44-13).
The 5 Regiment of 2 Division has moved north from Chi-an (126-10, 41-07) and made contact with the 584 Regiment of 195 Division near Tao-wai-tzu (125-52, 41-28).
3. The Communists captured Tai-ping-shan (124-53, 44-24) on 16 January. 25X1X6

SHANTUNG

Tsinan - 17 January

4. On 16 January, the Nationalist 12 Army was moving south from Tsinan along the Tsin-Pu /Tientsin-Pukou/ Railway. This move was coordinated with a southward drive by the 73 Army from Po-shan (117-51, 36-32). The forward echelons expect to converge on Lai-wu (117-39, 36-15), thus forming a pincer movement that will isolate 5000 Communists of the 1 Garrison Brigade in the mountains (at approximately 117-15, 36-25). This maneuver has greatly weakened the western sector of the Chiao-Chi /Tsingtao-Tsinan/ Railway and the security of Tsinan.
